**Subject:** Bristol Bay session for TLS

Title: EPA Bristol Bay Watershed Assessment

Tribal and community involvement have been essential to the EPA assessment of large-scale mining impacts on the Nushagak and Kvichak watersheds in Bristol Bay, Alaska. This session will highlight the importance of traditional ecological knowledge collection, tribal consultation and tribal participation in an Intergovernmental Technical Team during the past year. During the session, EPA will provide a brief overview of the assessment and tribal leaders will share their perspectives.
